

1: Cut off the strip with these instructions.

2: Turn the paper over (words facing down).

3: Fold each of the four corners into the center of the square.

4: Turn the paper over again and again, fold all four corners into the center.

5: Fold the square in half to make a rectangle.

6: Place your thumbs under two of the flaps with shapes on them and place your index fingers under the other two flaps with shapes on them.

7: Pinch thumbs and index fingers together and push them toward the center.
