

I'M GOING TO  
THE TREEHOUSE!

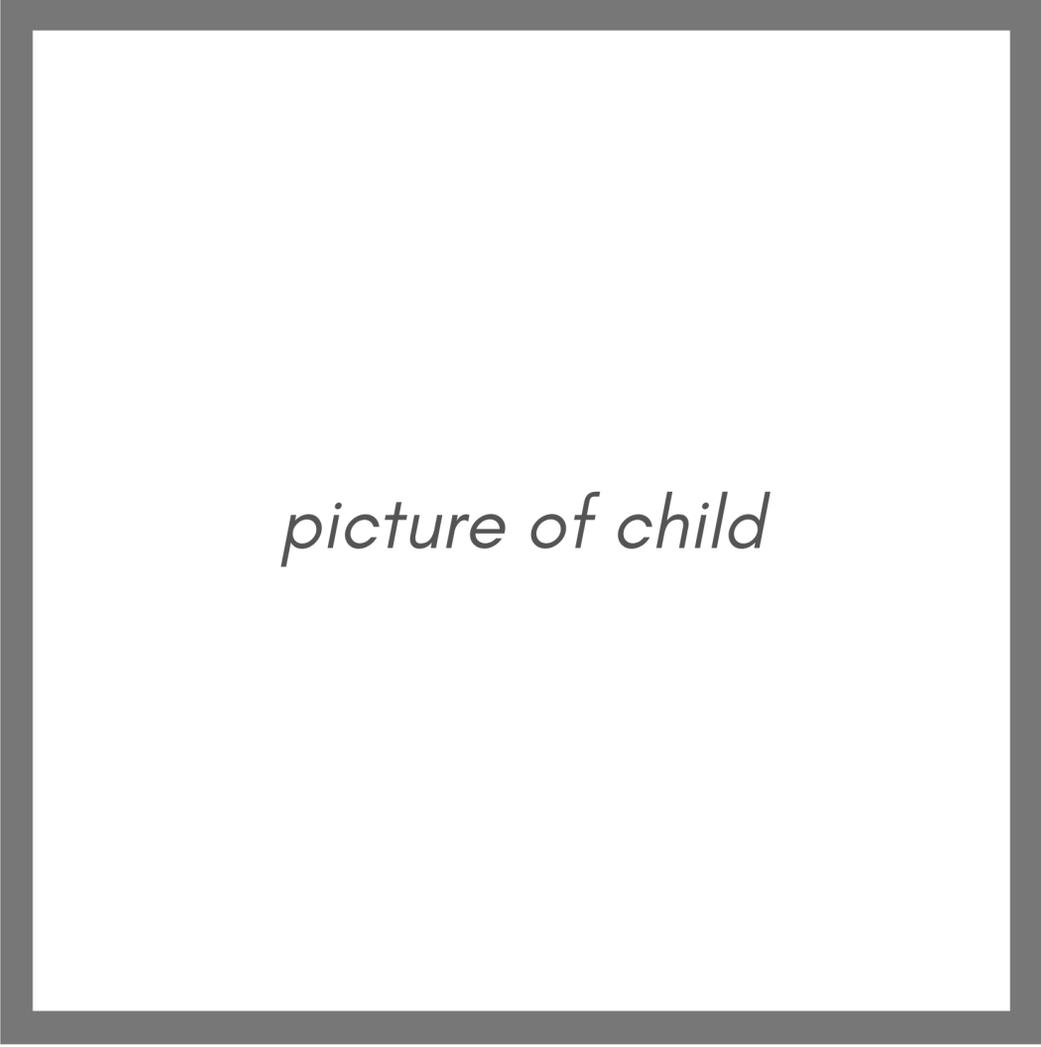

Special thanks to Annie Simkin, one of our Treehouse parents, for creating the idea and template for this social story and for the Simkin family's continued support for our work at The Treehouse. We are so grateful to our Treehouse community!

My name is \_\_\_\_\_.

I am an awesome kid!

I love \_\_\_\_\_.

I am going to a place called The Treehouse.  
The Treehouse is a safe place.

When I get to The Treehouse, I will say goodbye to

\_\_\_\_\_.

*(parent, caregiver)*

It is okay. \_\_\_\_\_ will come back.

\_\_\_\_\_ always comes to  
get me when my play group is over.

There are grownups at The Treehouse who will take care of me. They are safe and fun! They love to laugh, make projects, and play games.

After \_\_\_\_\_ says goodbye,  
*(parent, caregiver)*

I will play with the sensory bin with my friends!

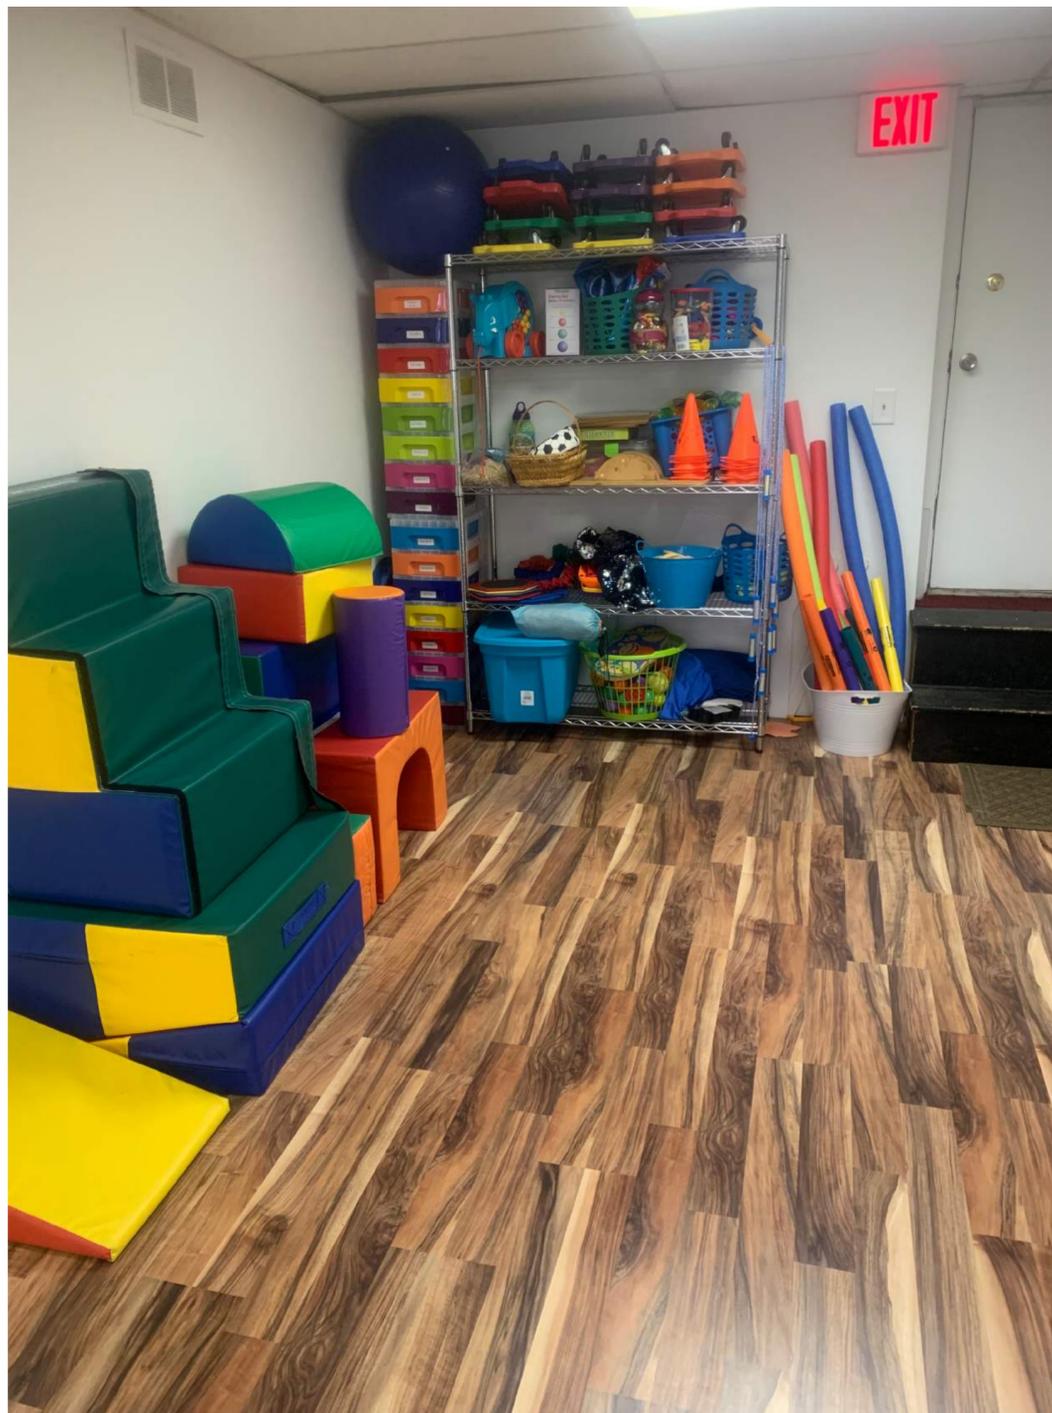

After I play with the sensory bin, we will play games and make projects. There are lots of fun things to do at The Treehouse!

My teachers keep me safe and I have fun with my friends.

The teachers keep the supplies for play groups in the back room.

I stay in the front of The Treehouse with my friends.

If I have to use the bathroom while I'm at The Treehouse, I can ask my teachers.

I use the bathroom, wash my hands, and then come out to play again!

When my play group is over, \_\_\_\_\_  
*parent/caregiver*

will pick me up! My friends will get picked up too.

I can see them out the window!

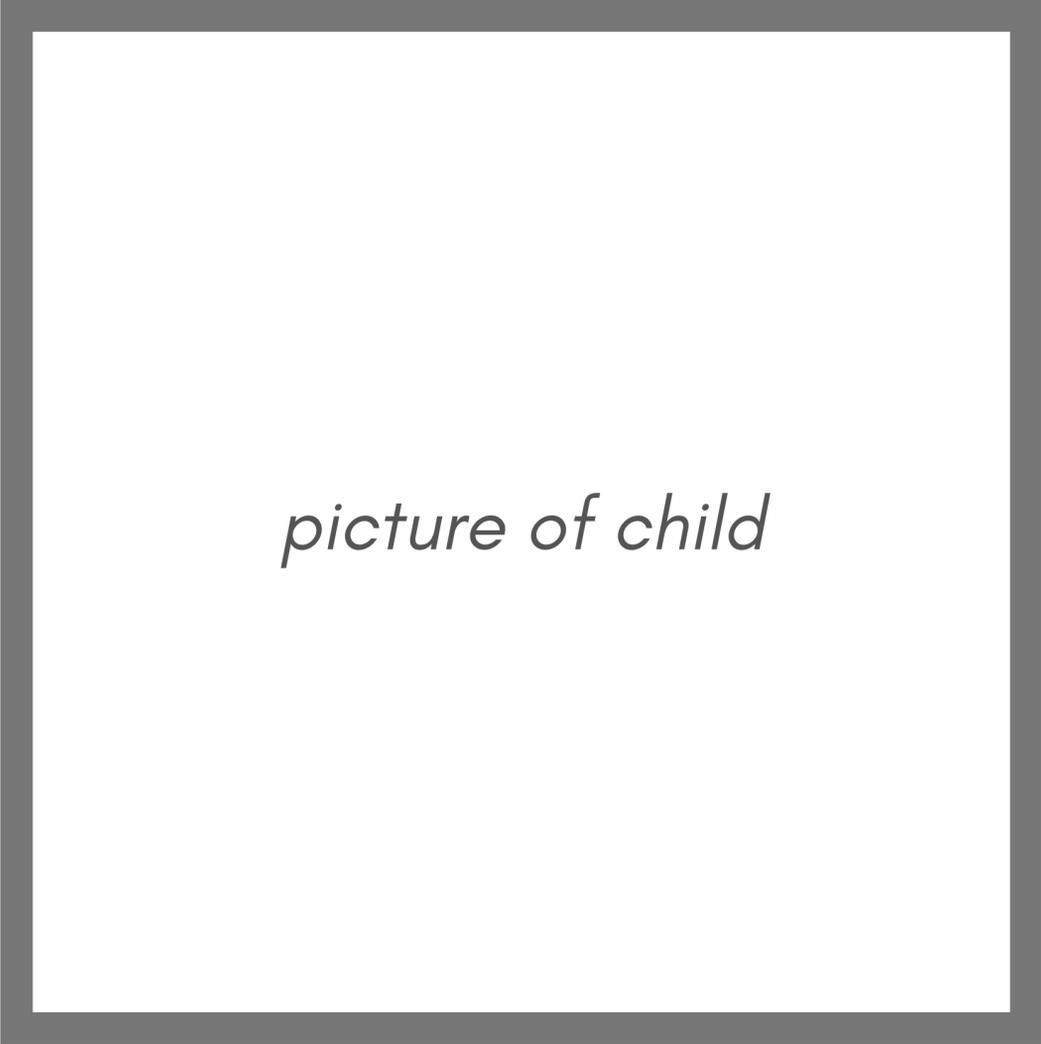

\_\_\_\_\_ will come to get me.  
*parent/caregiver*

He/she will be so proud of me for playing at The Treehouse!

I did it! I had fun with my friends and teachers at The Treehouse! I'm excited to come back next time!
