

Downhill Skier Craft *(Black and White)*

- 1 - Cut on line #1 - all the way across the page.
- 2 - Cut on line 2 - beginning and ending on the dots (don't cut all the way to the edge of the page).
- 3 - Cut out the skier.
- 4 - Color the mountains and skier.
- 5 - Tape the skier to the end of a craft stick or strip of cardboard.
- 6 - On the back of the piece of paper with the mountains, spread glue on the left and right edges and top only.
- 7 - Glue the paper with the mountains to another piece of paper.
- 8 - Insert the craft stick with the skier through the bottom of the slit cut into the mountains.
- 9 - Use the craft stick to make him ski up and down the mountains!
